BIGGS INC.

Just wanted to let you know how much we appreciate our site manager David Bartel. David is always so friendly and works very hard to keep Cheswick Village a very comfortable place to call HOME!

The office renovation looks great and we love our Cheswick Village Apartment! We are moving to Tampa next week and will greatly miss our apartment here and the family atmosphere that David maintains.

We have passed the word on to several friends about Cheswick Village!! Thank You - Denise and Brian Smith
